**SC Ladies' League Members:**

**2021**

**We're looking forward to having you return to our League.**

**We have enjoyed past years of golf and good times with friends.**

**Share this with more gal golfers. Please invite a friend (or two) to join us. Golfing with a friend, and meeting the rest of the gals, provides a great intro to League play.**

**As you know, Spring Creek provides us with morning and afternoon League tee times. Knowing we may have a preferred time to golf, you have tee time choices.**

**As evidenced through the years, low score is not a requirement to win weekly gift certificates.**

**One last thing, *everyone is to have fun.* Looking forward to seeing you at the 1st tee.**
