## FORMAT

- 2-Man Teams. Please sign up as a team.
  - > Players must be at least 18 years of age and out of high school
  - > Open to both members & non-members (*greens fees & cart fees apply to non-passholders*)
- Every week, each 2-Man team will play head-to-head against another 2-Man team.
  - > Schedule will be made after all teams are signed up
- “Match-Point Handicapped” Format - Everyone plays from White Tees
  - > Combined score each hole w/ hdcp factored in
  - > Every hole is worth 2 points, 18 total points up for grabs every matchup
    - \* if a team wins a hole outright, they earn 2 points
    - \* if the 2 teams tie a hole, each team earns 1 point
  - > A running total of points will be kept to determine league standings
- The League will be split into two 7-week halves, with point standings being reset after week 7. The top 4 teams from each 7-week half will qualify for the postseason - which will be an 8-team playoff bracket.
- Handicaps will be factored into the scoring in order to even the playing field.
  - > If a player does not have an official handicap, an estimated handicap will be used for the first five weeks. Maximum handicap used will be 26 (higher handicap players may participate, but will only receive 13 strokes per 9 holes)
- A sub list will be created for players who cannot make it on a particular week.
- Each player will be given a list of phone numbers for all league players and subs. **If you cannot make it on a particular week, or are running late, please contact your opponents to let them know.** Make-up rounds may be permitted if all players agree, but it is much easier for the league manager when all rounds are played during the designated dates and times.
